CATALOG

*1991 marks a turning point for Gerber Sport Knives and Fiskars Fillet Knives. Much like the swift, yet calculated strike of the gator, we have taken on a fierce, aggressive new market direction. Gerber/Fiskars is poised, hungry, and ready to break away. Our wide range of new products for 1991 symbolizes this commitment.*

**INTRODUCING THE GATOR™  
AND THE GATOR SERRATER™**

For early 1991, Gerber proudly presents the Gator™ and Gator Serrater™ Rubber Handle Folding Knife. Simulated Alligator skin texturing on a fully encapsulated rubber handle gives maximum grip and control. Your choice of either a regular or serrated Clip Point stainless steel blade. Proudly made in the U.S.A.

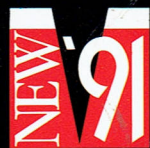

GATOR™

GATOR SERRATER™

NEW FOR 1991!

As you turn the pages in this catalog, look for our **BLADE** symbol which indicates one of our numerous new products for 1991.
