CATALOG

# Experience the Multi-Plier™ Effect!

Gerber introduces the easy solution to every "toolbox" job with the new Gerber Multi-Plier™! It's 13 tools in one, all made of super-tough stainless steel. The Gerber Multi-Plier features a (patent pending) slide-out plier head that quickly locks into place with just the "flick of a wrist!" This easy, one-handed operation allows the Gerber Multi-Plier to be used any place, anytime! For special jobs, tool components easily rotate out from the handles. Available with either a rugged ballistic cloth belt sheath or innovative leather belt sheath featuring a belt/backpack clip. Proudly made in the U.S.A. . . . only from Gerber!

- ◆ CONVENIENT, ONE-HANDED OPENING
- ◆ EASY "FLICK OF THE WRIST" ACCESSIBILITY
- ◆ COMFORTABLY SMOOTH HEAVY-DUTY HANDLE
- ◆ TOUGH STAINLESS STEEL CONSTRUCTION
- ◆ VARIABLE-TASK MODIFIED NEEDLE NOSE PLIER HEAD
- ◆ GERBER LIFETIME WARRANTY
- ◆ MADE IN THE U.S.A.

NEW FOR 1992!

As you turn the pages in this catalog, look for our **BLADE** symbol which indicates one of our numerous new products for 1992.

# PERSONALIZATION

Many of our products can be personalized to add a distinctive look to personal or corporate gifts and awards.

## STANDARD ENGRAVING

◆ Names, initials, or inscriptions can be engraved directly onto the blade or handle of selected products.

The following type styles are available:

*Single Line Script* Names, dates, for graceful effect

*Double Line Century* Names, dates, inscriptions

**DOUBLE LINE CENTURY CAPITALS** Names or initials

**TRIPLE LINE ROMAN** Names or initials

**Old English Condensed** Names or initials

## CUSTOM ENGRAVING

◆ Company logos, insignias or designs can be custom engraved onto most products. Camera ready artwork required.

## ELECTRO-ETCHING

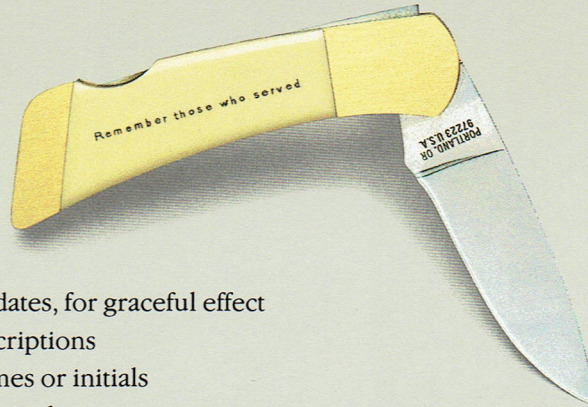

◆ Electro-etching provides an excellent way to show designs, company names and logos. These can be surface or deep etched into blades or bolsters. Camera ready artwork is required.

## LASER ENGRAVING

◆ Intricate designs and logos can be laser engraved into wood handles and walnut gift boxes. Camera ready artwork required.

## PAD PRINTING

◆ Many products can be personalized by pad printing designs and logos onto handles or other flat, untextured areas of product. Designs can be printed in any standard PMS color; custom colors are available at additional cost. Camera ready artwork required.

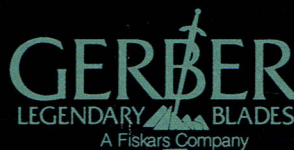

## GERBER WARRANTY

All products are guaranteed by Fiskars/Gerber to be free of defects in material, construction and workmanship for the lifetime of the original purchaser and is not transferable. Normal wear, abuse, misuse and neglect are excluded from warranty coverage.

Any product found to be defective due to original material, construction or workmanship will be repaired, replaced or substituted with the same item or item of equal value at no charge. Return can be made to an authorized dealer or the factory.

As the manufacturer of knives, Fiskars/Gerber does not assume responsibility for compliance with federal, state or local laws related to ownership or carrying of concealed weapons.
