#BDRN3 Our Price **\$79.95**

This knife is the choice of several noted survival experts. The blade is of AISI 440 stainless steel, Rockwell tested 56-58. The versatile blade incorporates double-cut saw teeth, wire cutter slot, clinometer, scale, fish line hole, international code of land-to-air signals. The hollow handle contains a complete kit that includes morse code, needles, thread, scalpel, waterproof matches, magnesium fire starter, water sterilizing tablets, magnifying glass. The butt cap also has a liquid filled compass. The guard is detachable. The hole near the tip of the knife attaches to the sheath to form a wire cutter. The sheath is made of shock-resistant reinforced polymide. Sheath features a sharpening stone, screwdriver tip, velcro closure and a quick-release web belt hanger. Matte black finish. Blade length 6 1/2", overall 12".
