Dear Friend,

Congratulations! You now own "America's Best Military Knife"™, with the distinction of having been battle proven in six wars: World War II, Korea, Vietnam, the Gulf War, Afghanistan and the Iraq War. Don't leave home without it; use as necessary.

THANK YOU FOR YOUR ORDER. We appreciate your support which, after all is said and done, allows us to continue supplying America's finest military knives. So, every time you or a friend need a fine knife, please call on us.

If you are in the armed forces, as are many of our Ek owners, THANK YOU FOR YOUR SERVICE TO OUR NATION. We appreciate it - and we know our knives will help keep you safe on distant battlefields, wherever they may be.

In 1941, John Ek said, "A good knife can save a life". Take care of your Ek Commando Knife - which John Ek referred to as "Your Silent Partner" - and it will take care of you.

Good luck...good hunting\*...and God speed,

Robert A. Buerlein  
President

\* A favorite closing by the British Commandos in World War II - not a reference to hunting deer!
