## **IN THREE WARS!**

WWII

KOREA

VIETNAM

**T**his genuine Ek Knife is benchmarked by the Ek Commando Knife Company. It is a battleworthy Fighting Knife and is one of the strongest knives in the world because of its full-length, full-width tang.

Ek Commando knives have been proven where it counts — in combat in World War II, Korea and Vietnam.

Made in America, by Americans,  
for Americans".

The finest American-made high carbon surgical stainless steel is used in these knives.
