Military Night Vision Goggle-Page 2

MeKong Delta Knife

(F) Hack and slash away the day with this hand-crafted rubber training knife. Use chalk or water-based paint as your marking agent. Features olive drab paracord-wrapped handle and lanyard. Constructed of black industrial rubber with industrial canvas wick. Overall 13¼", blade 7". Eye protection recommended. Official issue Gargoyles® sold on page 43.

U9640 \$19.95

Rubber Training Knife

AL MAR

(G) Shaped like the Applegate-Fairbairn knife, this knife is made for combat training purposes. The wide flat blade can be chalked so when the edge scores on the opponent, there will be a record. Constructed of black neoprene rubber with a flexible tip. Safety glasses or other eye protection is recommended (sold on pages 10 and 43). Overall 11½", blade 6½".

U4043 \$26.95 pair

H

Tanto Boot Knife

(H) Here's a convenient boot accessory for the rough spots you encounter. The Tanto features a black-finished full-tang blade constructed of surgical steel. Handle is cast-alloy steel and checkered for sure grip. Includes a black leather sheath with a clip and safety strap. Rockwell C 50-60. Overall 9", blade 4½".

U9287 \$19.95

Recon Commando Boot Knife

(J) The same compact, fierce design as the Commando Boot Knife below but with more concealment possibilities. Overall 6½", blade 3½".

U3965 \$17.95

MATCH PRICE

Commando Boot Knife

(K) The Commando is your best bet in close-quarters combat. Features black stainless steel blade with hard-cast metal handle and black leather boot/belt scabbard with black spring clip. Overall 9", blade 5".

U3963 \$16.95

NEW Thrower's Set

(L) From Ek, the makers of commando knives since World War II, comes a set of finely-crafted professional throwing knives. Each blade features two sets of classic Ek "scallops" along the blade length, and a point which is, in John Ek's words, "borrowed from the arrowhead design proven by American Indians." The well-balanced one-piece throwers are solidly constructed of 440 stainless steel and are bead-blasted for non-glare finish. Stored in individual pockets inside a green nylon roll-up pouch, the set of six can be taken anywhere. Rockwell C 55. Overall 8¾", blade head 2". See Ek's Cross Dagger on page 73.

U9922 \$199.95

Throwing Knives

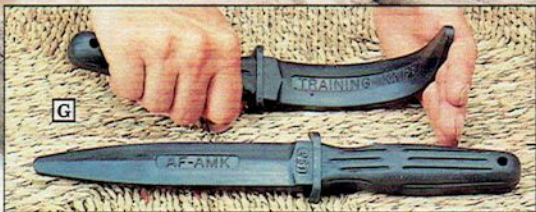

(M) Classic full-tang throwing knives of high carbon steel with the heavy feel you want for balanced throwing. Handles are painted black and feature dual guards and cutout holes for better grip and weight distribution. Each Blazing Arrow includes a black nylon sheath with belt loop and snap-closed safety strap. Rockwell C 54-56. Blazing Arrow I: overall 8½", blade 4¾". Blazing Arrow II: overall 10½", blade 6".

U8901 Blazing Arrow I \$11.95

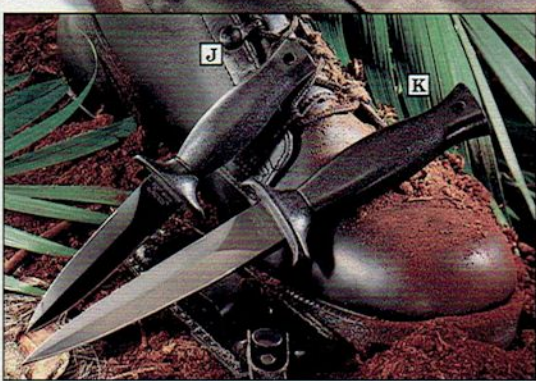

U1660 Blazing Arrow II \$12.95
